3

NETWORKING

SOCIAL CAPITAL

A set of shared values or resources that allows individuals to work together in a group to effectively achieve a common purpose.

4

NARRATIVE

'Resident representation: The establishment of a statutory body to protect and advocate for residents' interests. This body would ensure residents have a powerful voice in the decision-making processes that affect their homes and lives, enhancing accountability.'

Richard Blakeway, 'Repairing Trust', 29 May 2025
